

# Hydraulic Powerpack Summer Special!

**15% OFF  
SALE!!  
\$10,999**

## **TRIC HC14 PowerPack Features:**

- Wireless remote control with rugged, weather-resistant button-box
- Variable speed pump (8-2 gpm/0-5800 psi) with auxiliary 2,000 psi/8 gpm circuit for hydraulic hand-tools (concrete saws, trash pumps, jack-hammers, etc.)
- Direct drive pump mechanism eliminates shaft-coupling failures
- Heavy-duty wheels and robust, compact chassis with four retractable handles for optimal portability
